

Dear Parents and Carers

As you are eligible to receive Free School Meals you are also eligible to claim additional assistance from the Winter Grant Scheme. This is money that has been provided by the Government to local councils, to support families who are eligible for Free School Meals during Covid restrictions.

You can claim vouchers to pay for utility bills such as gas, electricity, water services etc. online by clicking the **DO IT NOW** button on the following link. It is quick and easy to claim, and no other eligibility is needed.
